UNITED STATES OF AMERICA, Plaintiff-Appellee,)	Tenth Circuit Appeal No. 19-2195
v. ANTHONY BACA, Defendant-Appellant.)))	District Court Case No. 2:15-CR-4268-JB-21 District of New Mexico

APPELLANTS' JOINT DESIGNATION OF THE RECORD

Appellants in the above-captioned appeals, by and through their respective attorneys, respectfully submit this as their joint designation of the documents that should be included in the record on appeal. Because each appellant has a separate docket sheet, and a combination of the three docket sheets back-to-back would span about 350 pages, the appellants depart from the usual practice of attaching marked docket sheets and designate the papers to be included using the following table:
